

CEMO
PoE-Adapter

CEMO PoE-Adapter

Technical data

Part number	150221
Name	CEMO PoE-Adapter by IEEE 802.3af
Interface	10/100 MBit/s; Ethernet 10Base-T / 100Base-TX (Auto-Sensing)
Max. length of the connecting cable	100 m
Encrypted data transmission	None, only suitable for safe networks
Connected load	15,4 W PoE Class 3
Connection	RJ45
Device class	o PD (IEEE 802.3af)
Requirements	The remote function must be activated in CEMO
Temperature	0 °C - +50 °C
Prohibited atmospheres	Not suitable for use in corrosive atmosphere (chlorine, ammonia, lime water).
