

OMEGA FLEX
RF-NET Repeater

**OMEGA FLEX
RF-NET Repeater**

Technical data

| | |
|-------------------------------------|--|
| Part number | 340177V |
| Dimensions | Length: ca. 107 mm Width: ca. 117 mm Height: ca. 24 mm |
| Power supply | 100–240 V ~, only via the power pack supplied (9 V DC) |
| Connection | Phonoplug 5.5 x 2.1 mm |
| Communication frequency: | Sending/transmitting 868 MHz |
| RF Range: | Max. 25 m |
| Temperature range: | -25 °C to + 70 °C |
| Prohibited atmospheres: | Not suitable for use in corrosive atmospheres (chlorine, ammonia, lime water) |
| Service life of the RF-NET Repeater | At least 10 years |

Subject to changes without notice. Date V 1.0, 21/11/2013; BRO 2045-002
